job title Manchester College's Fielden Campus, Didsbury.

client Wates Construction.

value £285,000.

programme 20 weeks.

detail The project included the manufacture and installation of bespoke joinery items including the feature reception area. Individual reception desks were also created for the ground and fourth floors of the refurbished building. Doorsets were finished in vibrant colours to assist with the College's location plan. The large fire certified glazed screens complemented the doorsets. Panelling to the staircase and the installation of glazed screens were completed in the reception area. Externally, decking was laid to create an outside communal terrace area for staff and students.
