job title Marks & Spencer Financial Services, Chester.

client Laing O Rourke.

value £280,000.

programme 40 weeks.

detail This unique and unusual brief was to design and construct the bow of a boat below a flat ceiling in a three storey foyer for this large financial institution. The formwork, setting out and installation was carried out on a 10m high scaffolding using a fully fire retardant timber. The final feature measured over 60m long x 30m wide. The remaining fit out consisting of veneered and laminated doorsets within the restaurant and common areas to compliment the feature.
